

Fairton Christian Center Ministries

Vision Statement

To be an education and recreation center for the teaching of God's Word and its application to all aspects of human development.

Mission Statement

In Matthew 28:19-20, our Lord gives us the following command: "Go ye therefore, and teach all nations... Teaching them to observe all things whatsoever I have commanded you..." We purpose to fulfill this command through our vision of being an education and recreation center for the teaching of God's Word. We believe that this vision is best implemented through a three-fold, interdependent ministry built around the family, the church, and the school.

The Family. The family is the building block of society and culture. The Word of God encourages fathers to lead and protect their families. At Fairton Christian Center, the needs of the family are met in a variety of ways. *The Men's Ministries*, in conjunction with the Assemblies of God and Promise Keepers, provide the spiritual, social, and intimate one-on-one buddy system a man needs to be strong for his family. *The Women's Ministries* provide weekly Bible classes, monthly breakfasts, an annual retreat, and other social gatherings to encourage and strengthen women in their many roles both inside and outside the family. *Children's Church, Royal Rangers, Missionettes, Sunday School, Youth Group*, and other special activities provide children and young adults with opportunities to grow spiritually, mentally, and physically and to minister to others.

The Church. The church functions to meet the spiritual, social and physical needs of the congregation through weekly services, special guest speakers, musical events, and a variety of support ministries for every age. An intercessory prayer group meets regularly to pray for specific needs of the church, the community, and the world.

The School. Through Fairton Christian Center Academy, students learn the truth of God's Word as applied to the academic realm. Math, language, history, science, and social development are all approached through the eyes of Biblical truths. Children are shown that Biblical values and concepts form the foundation of all academic truth.

All of these ministries working together result in strong family units which, in turn, result in a strong church fully equipped to reach out and teach God's Word to the nations of the world.

PRAISE REPORT! About 2 weeks ago we received a phone call from Michael from the Philadelphia area. He watches our Thursday night TV program. He said he has a friend named Ed who is 82, and in the hospital with a back problem. He also fell and broke his hip. While in the hospital he developed double pneumonia and had to be put on a ventilator. He was very close to death a couple of times. He is a decorated retired Marine War Hero. A rough & tough kind of guy. Michael wants us to pray for his healing and also his salvation. February 1, 2010 – there was a message on the answering machine from Michael. Ed went home from the hospital and is doing well, Praise the Lord!!! His back surgery went well; he beat the pneumonia, was taken off the ventilator and is doing well. Michael called us today to give us the wonderful praise report. He still wants us to keep praying for Ed's salvation.
